

Behind the Scenes:

Experienced and Cost Effective ASO and TPA Services

Southwest Benefit Administrators is known for exceeding industry standards for claims processing, customer service, eligibility and enrollment processing, while providing the full scope of services you expect.

- Electronic interfaces for increased flexibility and personal preference.
- Prompt and accurate payment to providers - 2005 average 4 days.
- Experienced underwriters and sales executives.
- Administrative expenses are below industry averages.
- 30-plus years of experience in the dental industry through our parent company, which is governed and led by dentists.
- Fast and flexible in tailoring programs to meet customer needs, unique situations and expectations.
- SBA provides administrative services only for more than 30 dental products with customers representing both the private and public sectors.
